SELLERS: L. H. (Dub) Rickard & June Davis

Auctioneer's Notes:

This should be a good sale as Dub's wife was a Hibbard. Her family started the drug store here in 1881 and many of the items are related to the drug store including the roll top desk. Dub is a horse man and has many items relating to horses. Many, many items of an antique or collectible nature.

June Davis has sold her home and moved to Oregon. She has several antique items and lots of nice household furnishings and furniture. This is a sale you should plan to attend!

Terms: Cash or check with proper ID. Nothing removed until settled for. Not responsible for accidents.

Announcements made day of sale take precedence over printed material.
